MISSION:

Benefiting Texas Youth Through the Purchase of Show Projects.

HISTORY:

The Lone Star Cattlemen Foundation (LSCF), a 501(c)(3) organization, is a buyers group that was established with the specific goal of helping young people build for their futures. By rewarding students for outstanding performance and personal dedication, LSC hopes to foster an appreciation for hard work and successful outcomes. LSC is a working board, with no employees. All fundraising events are planned and executed by volunteers. All event proceeds benefit LSC's mission.

ACCOMPLISHMENTS:

LSC is the #1 buyers group in Central Texas and supports students at regional stock shows and auctions. To date, LSC has spent over \$2M and purchased over 1000 FFA and 4-H projects, helping countless students as they pursue their dreams of higher education. LSC proudly holds the title as top buyers group at the 2010 through 2019 Rodeo Austin Youth Auctions.
